Your own wellness retreat in Waikoloa Village. This 3-bedroom, 2-bath, 1,888 sq ft home is built around an outdoor living space most homes here can't match: a Michael Phelps dual-zone swim spa, with an endless-current lap swim on one side and a heated spa on the other, plus a cold plunge, all wrapped in a deck. Add a fire pit, an outdoor shower, and mature landscaping, and the yard becomes a place to train, recover, and gather. Ocean views add to the setting with a bright and open great room. The generous kitchen has a pantry, farmhouse sink with picture
