Land for Sale in **Kau**, Big Island | MLS **735144**

87,120
sqft land

$56,000
listing price

Two gorgeous side by side acres to sell together. (Sale includes 3-9-2-134-2). Both are rugged and heavily forested, a little higher once onto lots; a corner lot and the one next to it. Two potentially private future home sites back from street and very discreet. No power is available on road so solar is a great option. Be self-sufficient and live affordably in Hawaii! Don't miss these very nice lots.
